

Advance Skater Freestyle Program

If your skater is currently taking private instruction from one of the Ice Station coaches your skater is eligible to participate in our Advanced Skater Freestyle Program.

At no additional cost to you your skater will be able to move to the Freestyle session while the rest of the campers are in their daily lessons or practice time.

You may use this time to have your child take their private instruction or to participate on a Freestyle session.

Please note the following rules for participating in this program:

1. If your child is having a private lesson with their instructor during camp it is your responsibility to make payment arrangements with their coach ahead of time. Kidtastic counselors and Ice Station Staff will not be responsible for keeping track of any payments including cash or checks that need to be given to the coach.
2. During the Freestyle session there will be no member of the Kidtastic or Ice Station Staff watching your child. By participating in this program you agree to waive Ice Station's responsibility to keep track of and/or watch your child. Kidtastic staff will help your child get their skates on but it will be your child's responsibility to either rejoin the group during their practice time or to meet the group in the locker room after they are done on the ice.
3. Skaters participating in this program are expected to be on the ice. Loitering in the lobby or abuse of this program will result in the termination of these privileges.
4. Coaches must approve students being on Freestyles. If your coach does not recommend that your skater skate on Freestyle they will be required to stay with the group throughout the day. Skaters that take private instruction on public sessions may have their lesson during any group lesson time. Skaters must return to the group during games and practice times.
